8. [REDACTED] Mr. Bryan Donnelly of Representative Robert Griffin's office called on behalf of a constituent applicant, [REDACTED]. Mr. Donnelly indicated that a background investigation was now being run on him. I said we would check into the matter and get back in touch. In response to my call, the Office of Personnel indicated that the applicant had been rejected on an "all factors" basis and that the reject letter was now being prepared. I will get the background on this so that we can contact Mr. Donnelly on Thursday.

9. [REDACTED] Called Albert Westphal, Staff Consultant, House Committee on Foreign Affairs, to find out what happened to S. 745, a bill to permit Foreign service annuities adjustments on the basis of cost of living. Mr. Westphal explained that although the House accepted the Senate amendments when the conference report came to the Senate floor, Senators Lausche and Williams demanded a quorum called. Since a quorum was not available and Senator Mansfield did not wish to force adjournment, consideration of S. 745 was withdrawn, which killed the bill for this session of Congress.
